Eager for a children's party with yummy food and buckets of fun? Then come and party with us!

We strive to ensure the ingredients we use are locally produced. If you know of a local supplier who will improve our dishes, please let us know. We use locally-made Stonham Hedgerow jams and chutneys with our dishes; these are available to buy in Seaweed & Salt, our lifestyle store, under our own label. On the first Saturday of every month we serve fish and chips using gluten-free batter, please ask for more details.
